

What: REAL Program offers independent learning in a classroom with a teacher available to assist you, if needed.

Who: 16 years of age and older, encompassing many age groups.

Why: It may be easier than you think! We can help you to achieve graduation by recovering credits that you have taken and failed, continuing credits you have taken and dropped, or earning credits while you are working and being paid.

Where: The REAL Program runs in all Alternate Education and Training Centres.

When: The REAL Program has a continuous intake from September to June. Monday to Friday, mornings.

Fee: Student activity fee, per school year, is \$25, which includes all programs within our Alternate Education Centres.
